

Racoma Residence

Region XIV, Mindanao

**“I see professionalism in QuickServe,
installation materials are genuine and
installation work quality is trustworthy.”**

The owner immediately contacted us after checking our FB customer reviews and rating because he had a bad and sub-standard installation experience previously. They looked for a different dealer and requested to install a Daikin unit to his house. We did a diagnosis of the previous model's trouble and ensured that QuickServe installer team is well-trained, and we are using a quality standard material.

Why did you choose Daikin?

The house owner has known Daikin and its good points since all the AC units in his workplace are Daikin products. Previously their house was using window-type, so he started researching the best AC by considering long-term solution and power consumption benefits, most brand didn't meet his requirement and therefore concluded that Daikin is indeed the best choice, so he immediately purchase a unit.

How did you find Daikin?

Via Website.

Why Did You Choose the Dealer?

Due to the bad experience with a different dealer, the house owner looked for a different dealer that will provide a better and quality service. He saw QuickServe's promo on Facebook and have witnessed personally the good service of the staff when they visited our showroom.

How Did You Find the Dealer?

At first, the house owner researched an authorized dealer thru dealer locator in Daikin's official website. At that time, QuickServe was not yet on the list, but he saw the Facebook post regarding promo discount, so he decided to visit our showroom to confirm the ongoing promo then eventually decided to purchase.

Comment after installation for Daikin & Dealer?

After he started using Daikin, he realized that air distribution is better than window-type AC. He witnessed our staff professionalism; our materials were authentic, and the installation quality was trustworthy. Overall QuickServe's service is excellent. The house owner got good response from the staff in QuickServe Davao and good recommendations by our installer, we also gave suggestion on the previous units that has problem. Since the owner have renovation plan, he will be willing to make another purchase to QuickServe.
